Dear Service Providers,

The Supplemental Rate Increases, as authorized by DDS through the enactment of Senate Bill 81, are being processed the last week of January 2020. Service Providers who are eligible to receive these time limited increases should see their increased rates on their January 2020 invoices. These increases are effective January 1, 2020 and extend through December 31, 2021 unless the State approves an extension. Please refer to the DDS website under Senate Bill 81 Rate Increases <https://www.dds.ca.gov/rc/vendor-provider/rate-changes/supplemental-rate-changes/> for more information and to see if your program is eligible for this type of rate increase with the corresponding amount. If you have questions on the rates shown on your January invoices, please email Zari Foosherian at [zarif@tri-counties.org](mailto:zarif@tri-counties.org).

Best regards,
